Mark and Melissa,

I think it is best we coordinate here, obviously. Could you get me your edits that Ex. 5 - Deliberative Process add them into my edits? I appreciate it. Although our edits are due to Paula on Tuesday, since I'm off Monday, I would like to get our edits back to her by late Friday if possible.

I'll also be getting OGC to help add some info on litigation status/history/milestones, per Mike's suggestion to me yesterday.

Thanks,

Bruce

Subject: Draft Oil and Gas Summary for transition

Hi, all:

Thanks to those of you who have helped with this so far. While this draft still has a few rough spots, I know folks are anxious to get a look at it so I thought I would send it now.

I have a few placeholders:

Ex. 5 - Deliberative Process

Ex. 5 - Deliberative Process

As you know, this has a maximum of 2 pages and a deadline of Tuesday.

Thanks again for all your help!
